

PROJECT TEAM'S COLLECTIVE STRENGTHS LIST
Example

Exhibit 6.3

Team Member	Specific Strengths — Consistent, proficient ability to:
Joe	Present complex project management topics to large groups
Susie	Connect people with people through email and social media to increase stakeholder engagement
Charles	Arrange details quickly staying attuned to the timing of the event and/or tasks
Allen	Interpret statistical data for others based on the individual's ability to understand statistical data
Sabrina	Mentor individuals toward their growth and development
Sally	Create compelling visuals (charts and diagrams) to quickly demonstrate project management concepts, tools, and techniques
